ASAP DSEIS Comments Draft 08282017.docx

Hi Mark,

So, it looks like they're both gone for the day, and Jill's cell phone is not working. However, - they mention in the email that they would be taking care emailing it out today. We mailed out the hard copy- so we should be good to go.

Thanks again for checking in about this.

Christine

Hello Christine,

The attached draft NEPA letter is due Tuesday 8/29. Please complete review and formatting as needed, and prepare it for David's signature. In addition to mailing the signed hard copy, please also email a pdf of the signed letter to Jill Nogi and myself by COB Tuesday, so that we can email it to the Corps. If you have any questions or any further edits are required, please let me know. Wendy is also available to help if needed.
